

Hello Mentor,

We're pleased to inform you that you now have access to the content for the Artificial Intelligence and Machine Learning Program. You've been added as a learner, which allows you to view and access all course videos to help you prepare for your Mentored Learning Sessions.

Below is the list of module links which you may go through at your convenience.

	Module	Module Link
1	Python - Foundations	https://olympus.mygreatlearning.com/courses/94089
2	Machine Learning	https://olympus.mygreatlearning.com/courses/100137
3	Advanced Machine Learning	https://olympus.mygreatlearning.com/courses/100139
4	Introduction To Neural Networks	https://olympus.mygreatlearning.com/courses/8112
5	Natural Language Processing with Generative AI	https://olympus.mygreatlearning.com/courses/130818
6	Introduction to Computer Vision	https://olympus.mygreatlearning.com/courses/8113
7	Model Deployment	https://olympus.mygreatlearning.com/courses/9687
