

Mentor Training Overview

Hello Mentor,

Welcome to the Great Learning Mentor Community!

We're truly excited to have you join us as a mentor for our **weekend Mentored Learning Sessions**. Your expertise in Data Science and Machine Learning will have a direct impact on the careers of passionate learners who are eager to grow and succeed in the digital world.

At Great Learning, we don't just deliver programs — we build **career-transforming experiences**. With your support, we're excited to shape the journeys of thousands of passionate professionals.

Now that you've received your Olympus login credentials, we're excited to walk you through the next steps in your mentor onboarding journey — a clear and supportive training process to help you feel confident and fully prepared for your Mentored Learning Sessions (MLS):

- **Step 1: Olympus Walkthrough** - Go through the "Olympus Walkthrough" PDF or the video recording to understand how the entire platform works.
- **Step 2: Know Your Program:** Begin by exploring the Program Brochure, Delivery Structure, and Mentor Orientation to gain a clear understanding of the program and your role within it.
- **Step 3: Access the 1st Mentored Learning Session content** - Week 1 module session content with a Sample session recording of the 1st MLS
- **Step 4: Expectation-Setting Call** - You'll have a **1-on-1 call with your Guru Manager** to align expectations, clarify any doubts, and discuss best practices.
- **Step 5: Attend a Shadow Session** - Observe an ongoing live MLS to understand the session structure, learn facilitation techniques, and get familiar with learner interactions.
- **Step 6: Session Best Practices & Learner Handling** - Go through the Good Session Cheat Sheet and the Framework for Different Programming Experience Learners to learn effective facilitation techniques and how to tailor your sessions for diverse learner backgrounds.
- **Step 7: Join the Live Mentor Orientation** - Join a 30-minute live, interactive orientation with fellow mentors to learn about your role and responsibilities, session do's and don'ts, and common learner queries and challenges.

- **Step 8: Batch Alignment:** You will be assigned to your first batch based on your availability and program preference.
- **Step 9: Take the Preparedness Quiz:** Complete a short quiz to self-evaluate your readiness before leading your 1st Mentored Learning Session.
- **Step 10: Receive the Readiness Email:** Once all steps are complete, you'll get a confirmation email from your respective Guru Manager that you're all set to go live as a mentor!

We're here to support you at every step. Thank you for choosing to mentor with us — we're excited to see the incredible impact you'll make.
